Stan Main Announces Run for Riga Town Board

Churchville, NY—Local Radio Station Program Manager STAN MAIN has announced he is pleased to accept the nomination of the Riga Democratic Party for Riga Town Board.

Stan is a 20+ year resident of Monroe County having lived in locations in Rochester, Brighton and currently; Churchville, NY across from Mill Creek Golf Course

Stan is the Program Manager for WARM 101.3 and Fickle 933 and has worked for many other local radio stations. Stan also has had extensive experience consulting radio personalities and radio stations in the United States and Canada. Stan has been active in the Monroe Community as a volunteer and board member with Compeer, a mentoring organization. Stan started and served as Chairperson for Rochester Movie Makers, a group that worked to unite amateur filmmakers in local film productions.

Stan moved to his current home with several acres of land on Jenkins Rd in 2015 to learn food is grown and to lower his property taxes from one of the highest taxed towns to the lowest.

Stan believes Riga is well run town but could use a board member focused on a comprehensive plan for the future of the town.

Stan has been active supporting candidates and working behind the scenes with political organizations for decades.

Stan Main say he feels *“The calling to run now is loud and clear. Riga is a truly beautiful place to live, we are lucky. I want to serve the community and make sure we are doing everything we can to maintain and protect our way of life.”*
